Students should contact their graduate advisers about such opportunities.

### School of Social Work

Partial tuition waivers from the Dorothy and Alfred Silberman Fund are the principal source of tuition assistance available to students at the School of Social Work. These grants are based solely on financial need. In addition, various public and voluntary agencies and foundations provide some assistance in the form of scholarships and stipends. ## REGISTRATION

Registration instructions are mailed to students accepted into or continuing in the graduate programs at Hunter College. All students are required to register via the Web or by telephone; instructions for both options may be found on the registrar's Website, <http://registrar.hunter.cuny.edu>. All registration is subject to space availability. For courses that require department permission, students must obtain approval from the department adviser prior to registration.

A schedule of classes, giving the days and times when each graduate course will meet, is published prior to each registration and posted on the registrar's Website at <http://registrar.hunter.cuny.edu>.

### Students Matriculated at Hunter Taking Courses at Other Institutions

Hunter matriculated students in good standing (GPA 3.0) have the option of taking courses at other CUNY colleges on a "permit" basis and receiving credit toward their Hunter degree. In order to take courses on a permit basis, students need to get departmental approval for the Hunter equivalent of the course(s) in which they wish to enroll in the other school. In order to guarantee credit, this approval must be obtained prior to registration. This approval must be granted on a Permit Application Form, which is available in the OASIS, Room 217 Hunter North. Instructions on permit requirements and procedures are available with the Permit Application in the OASIS. Students who would like to enroll in courses at a NON-CUNY COLLEGE do not register for those credits at Hunter. In order to guarantee credit, it is recommended that departmental approval be obtained prior to registering for the course(s). The student registers at the other college as a nonmatriculated student and at the end of the semester requests that a transcript be sent to Hunter College, Attention: Records Division/Permits.

### Students Matriculated at Other Colleges of the City University

Students matriculated in a graduate program at any other branch of the City University who want to register for a course or courses at Hunter College are required to obtain a permit from their home institution giving them permission to pursue specified graduate courses at Hunter College. The permit must be filed in the OASIS, Room 217 HN, before registration. Check the Schedule of Classes for specific deadline dates for registration.

Students who have registered in courses for the appropriate semester at their home colleges should also present their student receipts to the OASIS.

### Maintaining Matriculation

A matriculated student who is not registered for any courses but is completing other degree requirements for graduation must complete the registration procedure by registering to maintain matriculation. A student must be registered for the semester of graduation but need not register for any semester during which no work is done toward graduation. The fee cannot be waived or refunded. Maintenance of matriculation is not proof of attendance.
